Darice,
although i've
known you a very
short time, i feel as if i've
always known you. i'm so
glad that i came to old trail
and met you and all the other
wonderful (!) girls.
See ya next year Prez!!
Hilley

Darice,
Congratulations! we are
about to become seniors.
us old timers have been
looking forward to this
for a long time. of course
with you as president
we should have to have
to go to classes. (should we!)
Don't worry i will wear
my watch next year.
let's see how many
parties we can have
well, see you for our
forthcoming adventures.
Hilley.

Buffoon,
what do you know? I spelled
it right (that's because I
saw the word in a book I
was looking at last night).
Aren't you glad? - the Tarbox-
widican comedy routine will
finally end - no more antics in
the lunch room. The really
sad thing is that we can't even
play eraser tag now. I suppose
you will have to find another
eraser tag partner.

Try not to ruin the school
Darice as Student Council
President; I know it will
be hard for you, but try hard
not to. No, seriously, you'll
make a wonderful president,
and I wish you all the luck
in the world.

I'll always remember you
as the fat man at my
Halloween Party; the fat
really does not become you.

If I come back some time
next year (of course I'm
never coming back as I've
told Tarbox), I hope you'll
allow me to enter that
hallowed ground, the Senior
lounge (that is if the
dinks, the Juniors, aren't in
there too).

well, you can now say
"goodbye" to Floise forever -
no more proctored (excuse the
spelling) study halls.

Have a good summer and
a nice fall. Be sure to
come to visit me this
summer; I'd be glad to see
you. If I ever get my
driver's license, I'll take
you for a ride in the
Toyota I'm supposed to
get at the end of the
summer.

Love,
wiend (Lucy)

Dear Darice,

well, we've got one thing in common, our love for algebra I! (and of course, Barb) I just can't wait til I get to geometry. You'll make a great Student Council pres., but if any thing goes wrong----- well, be good and don't do anything I wouldn't do, and some things I would.

LOV,

Dorothy

Lucia de la mermoor
said to tell you to
have a great senior
year!

To a girl who has an unique personality which absolutely sparkles - thank you for being such a patient subject while I drew your portrait. I'll be sure to attend those (definitely exciting!) Student Council meetings even though I'm not a member because I'm sure you'll do a terrific job. Have fun This summer + remember, next year we'll be the SENIORS!!

Love,

Mary Moyer
